

The diagram shows a white envelope liner with a triangular flap at the top. A red dashed line outlines the entire shape, including the flap. A solid grey line follows the inner contour of the envelope, defining the area for the artwork. The word 'TOP' is printed in red at the apex of the flap, and 'BOTTOM' is printed in red at the base of the envelope body. In the center, the text '4BAR/A1 EURO FLAP LINER' and 'Artwork Size: 5.25" x 6.75"' is displayed. A legend at the bottom center identifies the red dashed line as the 'Trim Line', the solid black line as the 'Bleed Edge', and the solid grey line as the 'Envelope Guide'. A note at the bottom states 'Liners will only fit PrintsWell Euro Flap envelopes.'
